

C6346 | dash (White)

## FORM. FUNCTION. FOREVER.

Designed in collaboration with Foster & Partners, the dash LED task light delivers a well balanced distribution of light that virtually eliminates contrast and shadows, while controls offer users flexibility. Steelcase used its unique knowledge of employees and the office to design a lighting solution that offers advanced mechanics and functionality to truly fit the needs of individuals in the modern workplace.

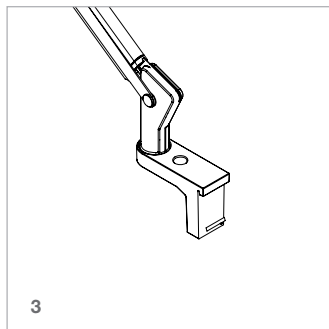

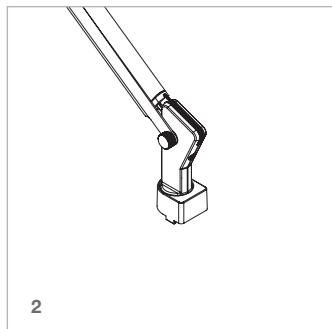

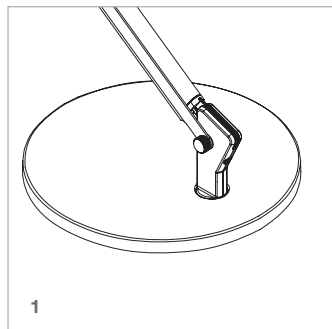

dash lamp

other lamps

dash produces a more evenly distributed light pool without hot spots or shadowing.

## MAXIMUM USER CONTROL

Wireless current allows 360° head and lower arm rotation. The 3 points of articulation and the dimming control from 100% to 15% accommodates various tasks.

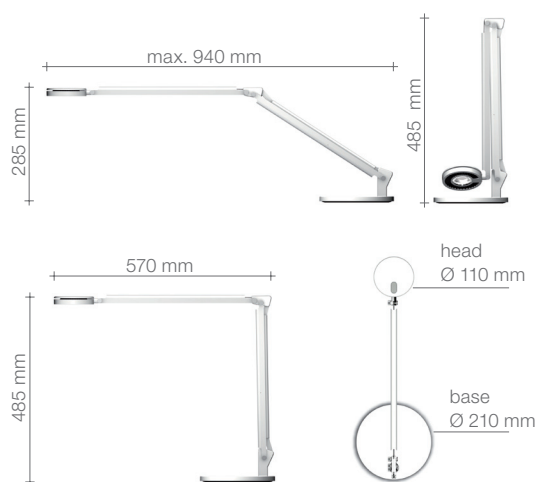

### FIXING OPTIONS

1. Freestanding mount
2. c:scape rail mount
3. Slatwall mount

## Statement of Line

## DIMENSIONS

## TECHNICAL INFORMATION

dash™ LED Light	
Source	LED (3x)
Energy consumption	8W
Luminous efficacy - illuminance	25.6 lumens/Watt - 1206 lux
Colour temperature	3500 Kelvin
Colour rendering index	80
Cable length	2,74 m
Average lifetime	50 000 hours
Technical features	Fully articulated arm Dimming control 360° rotation Removable universal driver
Material	Steel, aluminum and ABS plastic

## Finishes offering

## COLORS

Available in 9 colours (3 neutral, 6 accent colours).

## Sustainability

Designed by Steelcase, dash is manufactured in the USA for the EMEA (Europe, Middle East and Africa) market. Sustainability actions and results are annually communicated in the annual Steelcase Corporate Responsibility report.
