The Massaud chair will transform your working area with innovative modern design and maximum comfort and elegance.

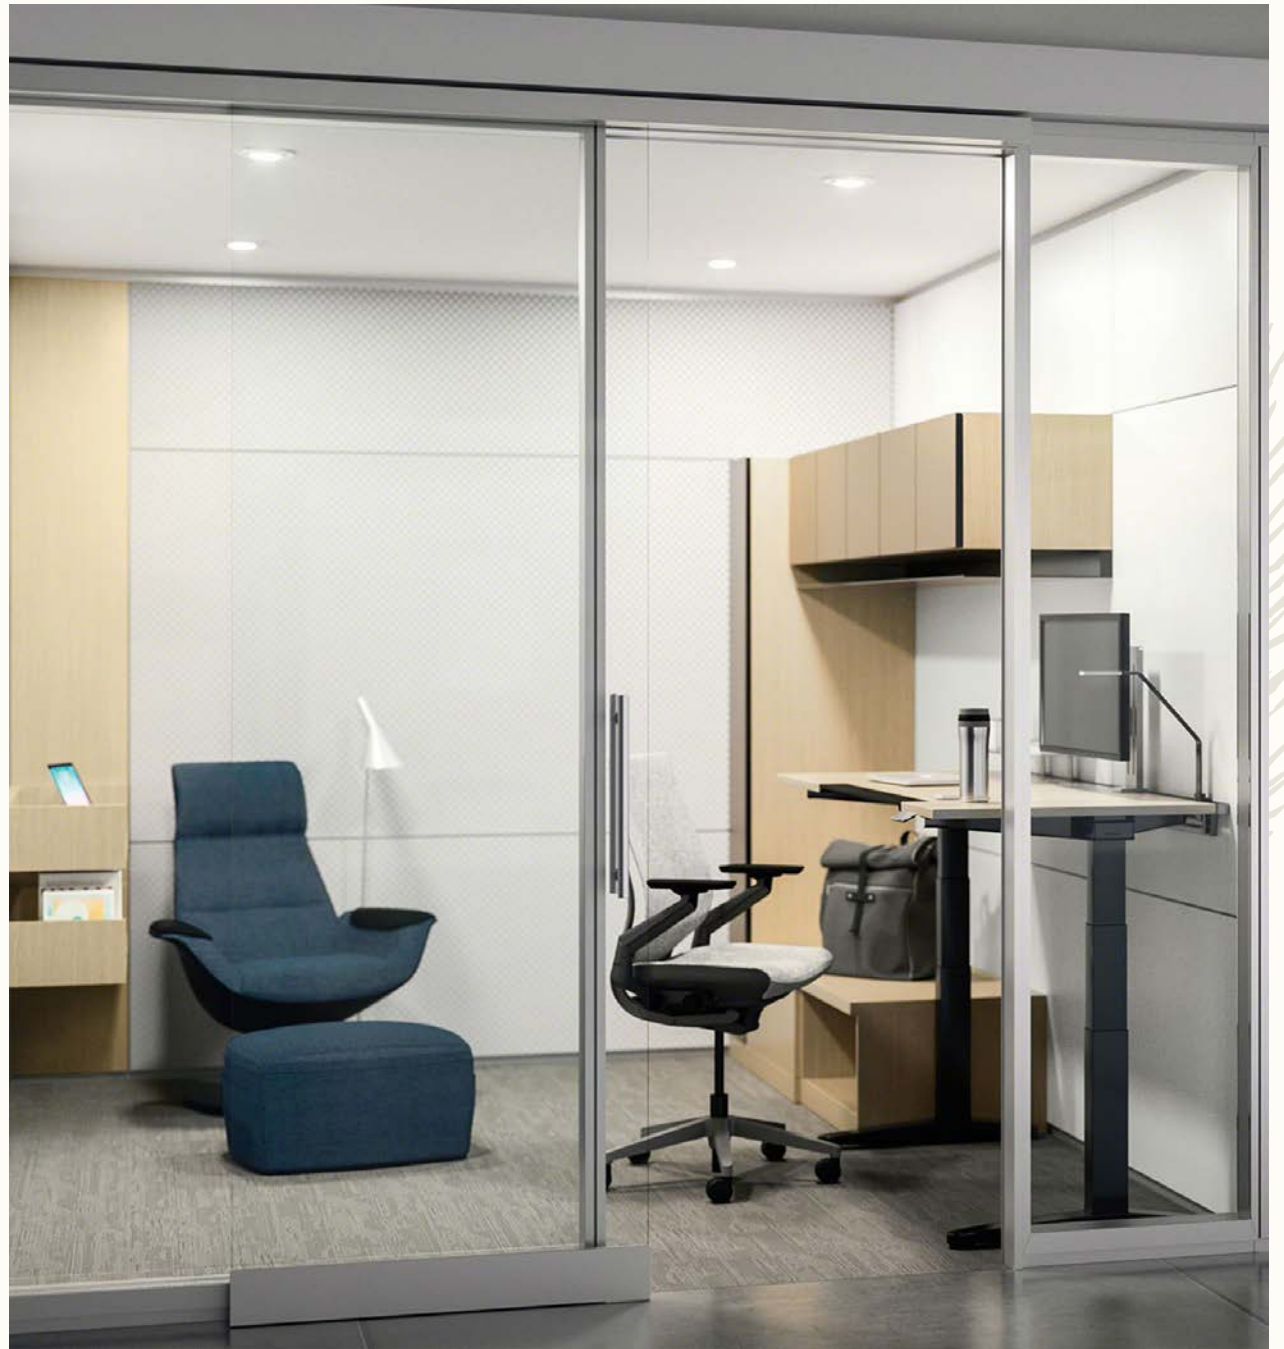

Hosu

Hosu by Coalesse sofa is perfectly graceful, elegant and timeless. Whether you need it for work or relaxation, Hosu by Coalesse sofa turns every room into a modern, innovative and comfortable space.

Migration

With adjustable desk height you can change the desk position as you work, so you can have a productive and healthy day at work, whether you want to sit or stand!

Ology

Combine the Ology adjustable desk that supports 5 different heights, with one of our Steelcase office chairs and we guarantee your productivity and satisfaction will be at an enviable level.

Free Stand

"Free Stand is a foldable and portable working desk for mobile devices."

Optimization of mobility and the interaction of consumers and products, is an area we are truly focused on. "Temporary" is of great importance. People want to feel good no matter how temporary a place is. The Free Stand allows you to create a working station near a plug (access to power is one of the most important aspects of mobile workers).

Steelcase Free Stand desk is elegantly designed to support every working position, no matter where you are. It's crafted for every individual that seeks maximal freedom and comfort while using a laptop or a tablet.

Dash

Developed in collaboration with the "Foster and Partners" – the all-new Dash desk lamp will become an essential part of your working space with its sophisticated, elegant and timeless design.

FOR A
